Milton Club Entertains Large Number At 2nd Annual Costume Ball

Beautifully Decorated Hall And
Delightfully Costumed Guests
Make Wonderful Spectacle

Friends of the Milton Club were happy Saturday night when some 300 guests of the younger set attended the second annual costume dance.

The Hall, which annually by the Club is growing in favor rapidly, not only because of its novelty or beauty in its social circles, but rather in the social circles, and the entertainment which the Milton Club gives in making this always looked for affair, surpasses other efforts in splendor and beauty.

This club was founded two years ago and is composed of six young railway postal clerks and two of former members of the club, all of whom have always been to entertain royalty and to give St. Louis young social set at least one noteworthy affair to look forward to during the year.

The Milton Club has given a great deal of time and effort to the organization of the Hall, which is a fine addition to the business of the club.

WHERE SHALL WE GO—WHICH WAY

There never was a time in the political history of the Negro in America that he has been confronted with a more serious problem than the one with which he is now faced. The religious and spiritual feelings, the hopes and the aspirations of the Race is almost a unit in sounding the alarm, letting the people know that a crisis in our political life is at hand. Yet these editors have been slow to suggest the best way out of the unpleasant situation, with the least harm done to all concerned.

It is surely a question of more than passing notice when one thinks of the attitude of the Republican party to the Race at this time. The Chicago Defender, the most widely-circulated paper published by the Race, in its issue of Oct. 1, asks the question, "Where Shall We Go?" John Mitchell, the Richmond, Va., talker, has asked, "Which Way?" Mitchell is a candidate for governor of Virginia on an independent ticket, nominated by a convention participated in principally by Negroes, after they had been denied a seat in a "Lily White" convention.

Mitchell admits that the course of the Virginia "Lily Blacks" is a hard one, and is not desirable; "but," says he, "there is nothing else for us to do."

The Chicago Defender follows along a similar course, suggesting "strict independence." We herewith produce the editorial from the Defender, for the benefit of The Argus readers, which reads as follows:

Where Shall We Go?

IN VIEW OF THE ATTITUDE AND INDICATED TENDENCIES OF THE PRESENT NATIONAL ADMINISTRATION, WHICH IS PRESENTED AS A SHAM AND A FAKE, AND WHICH IS PREPARED TO SHAM AND FAKE, THE QUESTION THAT NATURALLY PRESENTS ITSELF IS, WHAT SHALL WE DO AND WHERE SHALL WE GO? THE ATTITUDE AND TENDENCIES REFERRED TO WOULD SEEM TO INDICATE THAT OUR PRESENCE IN THE REPUBLICAN PARTY IS NO LONGER DESIRED—THAT THE FUNDAMENTAL PRINCIPLES AND DOCTRINES WHICH HERETOFORE CONSTITUTED THE PRINCIPAL DIFFERENCE BETWEEN THE TWO MAJOR PARTIES ARE TO BE REPLICATED AND ABANDONED—THAT THE PARTY IS NO LONGER TO BE THE ORGAN AND REPRESENTATIVE OF THOSE WHO BELIEVE IN EQUAL CIVIL AND POLITICAL RIGHTS, NATIONAL SUPREMACY AND IMPARTIAL ENFORCEMENT OF THE LAWS OF THE LAND AND A FAIR PLAY AND SQUARE DEAL FOR ALL TRUE AND FAIR AMERICAN CITIZENS REGARDLESS OF RACE, COLOR, NATIONALITY OR RELIGION.

IF THIS BE TRUE: The Republican party of today will have no further claim upon this great mass of the American electorate. These voters remained loyal, to the Republican party until the inauguration of the unwise and unfortunate policy of the Taft administration, which the present administration seems to have inherited.

THE SUGGESTION COMES FROM CERTAIN QUARTERS THAT WE ALIGN OURSELVES WITH AND SUPPORT INDISCRIMINATELY THE CANDIDATES OF THE DEMOCRATIC PARTY. THIS IS NOT ONLY IMPUDENT, INJUDICIOUS AND UNWISE BUT SUFFICIENT. WHAT DO WE DO AND WHAT ACTION WE TAKE SHOULD AND MUST BE IN ACCORDANCE WITH WHITE AMERICANS WHO ARE IN ACCORD WITH US IN THE ADVOCACY OF PRINCIPLES AND DOCTRINES WE BELIEVE TO BE PARAMOUNT AND VITAL. THE FORMATION OF A PARTY UPON RACE LINES WOULD PLACE US IN THE ATTITUDE OF SUPPORTING AND ENCOURAGING WHAT WE DESTITUTE IN OTHERS.

THERE ARE OTHERS WHO SUGGEST THAT WE AS A SEPARATE AND INDEPENDENT ORGANIZATION PICTURE THIS. THAT IS NOT ONLY IMPUDENT, INJUDICIOUS AND UNWISE BUT SUFFICIENT. WHAT DO WE DO AND WHAT ACTION WE TAKE SHOULD AND MUST BE IN ACCORDANCE WITH WHITE AMERICANS WHO ARE IN ACCORD WITH US IN THE ADVOCACY OF PRINCIPLES AND DOCTRINES WE BELIEVE TO BE PARAMOUNT AND VITAL.

AN ARGUS REPRESENTATIVE visited the new home office of the Company to find it in regular "Bee Hive." Every room was symmetrical and spotless. The President of the Company exhibited from the Secretary of State, State Treasurer, Attorney General, and other visitors letters which highly endorsed the company. Well stated that the company was very much interested in the development of the Negro in the South. The Negro in the State as it presents itself will light a wonderful moral effect upon our people to see Negroes advancing in every field of endeavor. This is the inspiration that the Negro men and women will receive, will help us in our fight to the front in the field of politics.

He stated further that the Agency organization in the Community consists of two hundred men and women, and that more than \$100,000,000 worth of business has been written by the Company, and that it has a large number of men and women headed by R. A. Turner whose object is to build an Agency in every state in this country.

The Post has arranged this celebration in honor of the birthday of Col. Theodore Roosevelt, the former Secretary of the Navy, and the principal speaker will be the President of the Company, exhibited from the Secretary of State, State Treasurer, Attorney General, and other visitors.

ALL LEGIONARIES are requested to take notice and inform their "buddies" of the celebration at the Central High School Auditorium, S. P. S., Thursday October 27, 1921.

Any information concerning the meeting may be obtained by writing W. G. Albert, 903 Laplace Building.

He stated further that the Agency organization in the Community consists of two hundred men and women, and that more than \$100,000,000 worth of business has been written by the Company, and that it has a large number of men and women headed by R. A. Turner whose object is to build an Agency in every state in this country.

THE COURSE WE ARE TO FOLLOW will result in relegating to private life those who are now in control of the machinery of the Republican party and by whom the secret principles and doctrines of that party are being betrayed and sacrificed. In that event, the Republican party of the future may again become the medium through which a great mass of voters, above referred to, can give expression to their views.

IF THIS SHOULD NOT MATERIALIZE another one of the type of Abraham Lincoln may come to the front under whose leadership these voters will rally in the formation of another party built upon the ruins of the former Republican party.

The word "former" is used advisedly because the Taft-Harding administration no longer reflect and represent what the Republican party heretofore stood for.

TO HONOR ROOSEVELT

The people of the Nation will, on October 27 pay a fitting tribute in thought and meditation to the life of America's greatest citizen, the late Theodore Roosevelt.

The thing that made Roosevelt great was his daring courage and patriotism. He had the courage to put his country above self. Such traits will make any man great in the eyesight of his fellowmen.

So, in order that we may be benefited by the celebration of his sixty-third birthday, we should examine ourselves to see if we possess those qualities that made him great. If we have not, we should begin from that day, and resolve to be men, men of character.

Though having once been President of the United States as the regular nominee of the Republican party, yet he had the courage to stand up to its wrongs by organizing the Bull Moose party. No one living can tell just what his defeat in Chicago, 1912 meant to this nation. To be sure, it meant eight years of "Wilsonism"; but who knows what would have happened had Roosevelt been President when the world was plunged into the great war?

Theodore Roosevelt exemplified the highest type of American ideals. He would do the right because it was right regardless to the howls of the mob. He believed a square deal to all regardless of race or creed. He refused to close the door of hope against any man, and this was the secret of his charming personality which will live forever.

courage, men of conviction and men of daring deeds.

ST. LOUIS TRIBUNE

The Argus extends its greeting to the St. Louis Tribune our new contemporary which has just entered the journalistic field in this city.

We look upon The Tribune not as a mere competitor, but regards its relation to us deeper, because the field is large and there are many battles to be fought for the Race. The more voices that join the protest against the injustices to which we as a group are constantly subjected, greater will be the moral effect.

We note that the initial issue is a nice clean sheet, 8-paged, regular 7-column, carrying news of general interest, with an editorial staff of such able men as Arthur A. Dyer and Robert P. Watts, both of whom are teachers at Summer High School of this city. Associated with these gentlemen are Warren Brown Sr., Warren Brown Jr., Herman Dreer, Chase DuPre and Marguerite Wilkerson. The business manager is Oscar Lancaster, while George MacLean is the circulating manager.

What a series of able men devoted and consecrated to the task, we can see without but success to follow their efforts.

We welcome The Tribune into the journalistic field and bid the sponsors of that publication God's speed. Below we reproduce the copy of their dedication, which appeared in their first issue, that the public will have a better idea of their purpose:

DEDICATION

"To no dogma or clique, or creed or party; but to a spirit, a hope, a longing. To the damnation of the masters and salvation of the masses in the red age—struggle to live, and labor and rise. To the lynched and the outraged, to the sudra and the bondsmen, to the slave—slaves and the serf."

"To all who have been crushed and down-trodden, age-old victims of the creed and greed and self and self of earth—to these we dedicate this paper and consecrate our effort and force and lives and souls that the cause of the living of these may be served in the name of humanity."

THE WESTERN DISPATCH

We have before us volume No. 1 and No. 2 of the Western Dispatch, published in Los Angeles, California.

The second issue is newest and its editors are striking along the line where strength is needed.

There are some things we must not forget. Chief among them is the "Raw Deal" given the colored people of St. Louis.

Some of the members of the Board of Aldermen are still asleep.

Rev Abbott says, "It's a parrot Negro who you hear always repeating what the boss says." Amen!

There is no use of sending anonymous letters to The Argus for publication in its columns. Your name and address must accompany matters you wish published.

We admire Babe Ruth in that he strikes hard, either for a home or strike-out.

Kill time and you will possibly kill a good career.

It is easy to find fault, but the way to correct it is to roll up your sleeves and go to it.

The fellow who saved a little when he was making much, is a little ahead of the game now.

DOUGLASS LIFE

JEFFERSON AND OLIVE.

THE WONDERFUL PROGRESS MADE BY DOUGLASS LIFE INSURANCE COMPANY IS SHORTLY TO BE KNOWN. THIS IS NOT ONLY IMPUDENT, INJUDICIOUS AND UNWISE BUT SUFFICIENT. WHAT DO WE DO AND WHAT ACTION WE TAKE SHOULD AND MUST BE IN ACCORDANCE WITH WHITE AMERICANS WHO ARE IN ACCORD WITH US IN THE ADVOCACY OF PRINCIPLES AND DOCTRINES WE BELIEVE TO BE PARAMOUNT AND VITAL.

THE FORMATION OF A PARTY UPON RACE LINES WOULD PLACE US IN THE ATTITUDE OF SUPPORTING AND ENCOURAGING WHAT WE DESTITUTE IN OTHERS.

THERE ARE OTHERS WHO SUGGEST THAT WE AS A SEPARATE AND INDEPENDENT ORGANIZATION PICTURE THIS. THAT IS NOT ONLY IMPUDENT, INJUDICIOUS AND UNWISE BUT SUFFICIENT. WHAT DO WE DO AND WHAT ACTION WE TAKE SHOULD AND MUST BE IN ACCORDANCE WITH WHITE AMERICANS WHO ARE IN ACCORD WITH US IN THE ADVOCACY OF PRINCIPLES AND DOCTRINES WE BELIEVE TO BE PARAMOUNT AND VITAL.

AN ARGUS REPRESENTATIVE visited the new home office of the Company to find it in regular "Bee Hive." Every room was symmetrical and spotless. The President of the Company exhibited from the Secretary of State, State Treasurer, Attorney General, and other visitors letters which highly endorsed the company.

Well stated that the company was very much interested in the development of the Negro in the South. The Negro in the State as it presents itself will light a wonderful moral effect upon our people to see Negroes advancing in every field of endeavor. This is the inspiration that the Negro men and women will receive, will help us in our fight to the front in the field of politics.

He stated further that the Agency organization in the Community consists of two hundred men and women, and that more than \$100,000,000 worth of business has been written by the Company, and that it has a large number of men and women headed by R. A. Turner whose object is to build an Agency in every state in this country.

THE COURSE WE ARE TO FOLLOW will result in relegating to private life those who are now in control of the machinery of the Republican party and by whom the secret principles and doctrines of that party are being betrayed and sacrificed. In that event, the Republican party of the future may again become the medium through which a great mass of voters, above referred to, can give expression to their views.

IF THIS SHOULD NOT MATERIALIZE another one of the type of Abraham Lincoln may come to the front under whose leadership these voters will rally in the formation of another party built upon the ruins of the former Republican party.

The word "former" is used advisedly because the Taft-Harding administration no longer reflect and represent what the Republican party heretofore stood for.
